# CYBER SECURITY

## Cyber Security: Ask the Experts! Pensacola State College October 7th | 10 a.m. - 3 p.m.

In honor of National Cyber Security month, Pensacola Young Professionals and the League of Women Voters of Pensacola Bay Area have collaborated to bring you an informative and interactive event on how to stay safe in the digital age.

We have invited the experts to come and answer questions that pertain to personal, business, and national cyber security.

Panels topics include:

- Protect Yourself
- Protect Your Business
- Protect our Nation

Registration for this event is available through Eventbrite.
